Sterling tennis was on the program yesterday afternoon at the Pacific Courts, and the spectators who gathered to watch the work of the mainland stars were treated to an excellent exhibition given by two local players, William Hoogs and William Warren. These two boys were pitted against Clarence Griffin and Ward Dawson, and their great playing throughout three sets earned them the plaudits of the large crowd present.

Griffin and Dawson won out, but not until the local players had been worn down by the clever play of the visitors. Time and again the locals played shots fully up to the standard of the visitors, and for individual play they made more difficult returns than did the two players who recently won the Manila doubles championship.

Local Players Star.

Most of the spectators expected to find the second match the banner one of the day, but they were disappointed in this respect, as Warren and Hoogs annexed all of the local honors in the tennis field yesterday afternoon. They lost the first set in straight points, but three fine smashes at the net gave them the second game of the first set. From that time on the two players were on top of their game, and great serving by Hoogs and clever returns by Warren gave the locals the first set.

The class of play of the locals in the first set far exceeded the play of the day before, and the rallying was one of the bright features of the afternoon. Warren was on the alert at all times, and several times returned Dawson's hard smashes at the net for a point. The locals played excellent tennis in the second set, but in the third the head work of the visitors showed to advantage, and they had

What healthy Nerves Mean to You

A strong, vigorous nervous system means health, strength and ability to endure hardship and also to enjoy the full pleasures of life.

The man with healthy nerves accomplishes greater tasks with less fatigue. He has a clear eye, an active brain and a sound body. He is enabled to think better and work faster. He has energy. With healthy nerves he can overcome the hardest competition, be successful and gain wealth.

The woman with healthy nerves is never listless, weak or hopeless; she is not irritable, she never suffers from hysteria, she has a reserved surplus of endurance. Healthy nerves will prevent the sleepless mother, although worn with care and nursing, from a "break down" caused by her double or triple duty.

All men and women who suffer from these forms of nervousness—known as Neurasthenia—will have "gone to pieces," who lack energy, who have insomnia, who have succumbed to nervous prostration or nervous exhaustion, either mental or physical, whose condition is one of irritable weakness will find ready relief and cure in the peculiar properties of

CROSS COUNTRY RUN FEATURES STAR RUNNERS

Event Scheduled for Today at Punahou Campus at 3 o'clock

Should the Kamehameha cross country squad finish first this afternoon in the Cornell cross country run, that school will be awarded the Lydgate trophy for winning three years in succession. Kamehameha has won every cross country event since the establishment of the feature by the Cornell alumni, and the team this afternoon will be the favorite in the event.

Punahou was second for two years, but last year Mills sprang a surprise and won out from the Punahou and St. Louis runners. This year the Mills team has been training for the event, and this squad will be the dark horse in the run. It would not be at all surprising to see the Mills team in second position if not the winner at the finish.

Stanley Carey of St. Louis has been the individual winner for two years and his teammates expect him to romp home ahead once more. Joe Stickney of McKinley, Machado of Kamehameha, Chun Lee Puck of Mills are other stars who are given a chance for first place. Jere Smith of Punahou will not run, which greatly weakens the Buff and Blue squad. The event will begin at Punahou campus at 3 p. m. Admission free.

STAR RUNNERS FOR MEET FROM 25TH INFANTRY

Last year the 25th Infantry track team was victorious in the military athletic meet and the star athletes are again making every effort to finish in front of the field again this year. Notwithstanding the strong aggregations from the other regiments the colored soldiers feel that they will romp home ahead on the cinder path.

In Mills and Gilbert the 25th will have two sprinters who have made the century in 10.1. Mills made a good impression on the coast, and in the preliminary meets this year showed that he could run the 100 yards in close to even time. Gilbert also finishes well in the sprint event. In the longfurlong Ware and Saunders will also enter, giving the 25th four good men. It is certain that one of the quartet will hit the tape around :23.

Harrison, who won the half-mile event last year, is again entered and expects to lead the field again. He made 2:08 on a number of occasions and was the second man in the A. A. U. half-mile event, running for Kamehameha. Owens has made fast time in the 330 this year, and is expected to finish well. Pride and Smith will also enter this event.

Prospects appear to be unusually bright for a good position in the marathon relay from Schofield to Honolulu. The teams were over the course yesterday and made the distance in fast time. The 25th men expect to have a hard fight to win from the 4th Cavalry, 1st Field Artillery and 2nd Infantry teams, and although the 1st Infantry is a favorite at present, they expect Wimp to outrun Quinn to the tape.

In addition to Wimp, who has made the best time, the 25th will have Alexander, Zeno, Mitchell, Scott, Armstrong, Morehead, Watts and Blythe. Many of these men have made good time for three miles and the race will be an exciting one from start to finish. The largest number of points will be given to the winner of this event, and the colored soldiers will make every effort to finish strong.

ed to be a wizard. Failure to score at the net was the principal objection to his work.

Castle failed on a number of occasions to return easy drives by Wright and on one occasion the two players became mixed and Castle forgot to make the return. His serving, although rather weak, was sure and on lob in his territory played fairly good tennis. Castle and Eklund were clearly outclassed at the opening of the match, and the principal points made were on poor returns by the opponents.

This afternoon at 4 o'clock the finals of the doubles will be staged and the devotees of the racket game are looking forward to a great exhibition of tennis. Wright and Lowrey are certain to play a different type of game than the visitors were forced to meet today, and the many spectators believe that the match will go five sets. At any rate it should be a great match, and Wright will have in Alan Lowrey a player who has been one of the bright and shining stars of the tournament. Griffin and Dawson will have no easy game in the final match.

ATHLETIC EVENTS TODAY.

3 p. m.—Baseball, St. Louis vs. Olympics at Athletic park.

RECORDS MAY BE BROKEN IN YALE SWIMMING MEET

Punahou looks like the logical winner in the Yale alumni swimming meet which will be held at the Y. M. C. A. pool this evening at 7:30. In yesterday's trials the wearers of the buff and blue annexed most of the honors and they will send a number of good men into the finals. McKinley should be second to Punahou in the final swimming up.

Noble Kaubane of football fame in a close finish defeated Ah Yee of McKinley in the first heat of the 50 yards swim. In the second heat Hawkins of McKinley finished two yards in front of Thurston, giving the high school one man in the finals. Hitchcock and Wright crossed the finish line together, but Hitchcock was given the place. In the last heat Harvey of Punahou gave his teammate Kanakani a great race to the finish line, the latter winning by a yard.

Punahou won both heats of the 220 yard dash, Higgins and Francis winning from Nua and Harvey, giving Punahou three men in the finals. McKinley broke even in the 100-yard dash. Yee winning the first heat while Hawkins was second to Kanakani of Punahou in the second heat. Punahou secured two men when little Harvey finished second in the first trial heat.

Spectators may see new world records made this evening in the interscholastic swims, as a number of the swimmers have made fast time in the sprint events. No official time was taken yesterday in any of the heats. Punahou is banking on Kanakani to smash the existing records now held by mainland swimmers.

JOE FARRINGTON SWIMS ON TEAM AT WISCONSIN U.

Joseph Farrington, Honolulu boy and ex-Punahou pupil, has gone in for swimming since entering the University of Wisconsin as a freshman last fall, and in a recent meet carried off a third place in one event and swam on the winning relay team.

Though Farrington did little in the swimming line here, he has evidently made good in a hurry at Madison. The time for the races in the Wisconsin meet was good. Farrington's third place was in the 40-yard dash, which was negotiated in 22.3-5 seconds.

CLOSE CONTEST EXPECTED WHEN TOSSERS MEET

Saints Are Strengthened for Tilt With Olympic Team

"Peaches" Martin is due for a very busy day if one can take the statements of the St. Louis baseball tossers who will oppose the Olympics this afternoon at Athletic Park. Arica will have a mighty good lineup to send against the visitors, and as Bart Burke would not send Martin against the Punahou squad, he will be engaged this afternoon in stopping the locals.

If Foster Robinson is in shape and Arica decides to send him into the breach, the Olympics will not fatten their batting averages to any extent. In case the Traveler does not mount the hilltop, Bill Janssen will be given the word to send them back to the water bucket. The St. Louis squad should be favored this afternoon, despite the fact that they are opposing the star pitcher of the visitors.

Saints Have Good Lineup.
Behind the plate, Toland and Rordian will work. At first base the Saints will have Albert Akana, while McGrath will occupy that corner for the visitors. Moriama at second, Ayau at short and Swan at third, will round out a good infield. Kennedy, Erjene and Benn will line up for the Olympics. With Bill Inman and the two Yamashiro in the outfield, the Saints should have the better of the jungle proposition.

Burke will send Howedge against the Punahou team tomorrow afternoon, and with this arrangement, the Punahou team should win out by a good score. Yee is a good pitcher and should be able to stop the Olympics, while Howedge has lost one game to the Punahou team and will hardly outpitch the local southpaw. Hushaw will be behind the plate tomorrow, while the infield will be Lyman, Sadler, Doty and Chillingworth. Lang Akana, Argabrite and Judd will perform in the garden.

LOCALS DEFEAT FT. McDOWELL'S BOWLING SQUAD

Honolulu—	1st	2nd	3rd	Total
Reed	154	155	196	505
Mosley	144	171	147	462
Mills	166	154	179	499
Wikander	193	184	198	575
J. C. Chamberlin	166	235	171	572
Totals	823	899	891	2613
Ft. McDowell	944	818	781	2543

Honolulu won two out of three games and total pinfall from Fort McDowell in the California Y. M. C. A. bowling league last evening. This gives the local men three out of four points in the match and clinches second place. There is also a chance for first place now if any of the teams can take an occasional game from the U. S. naval training station.

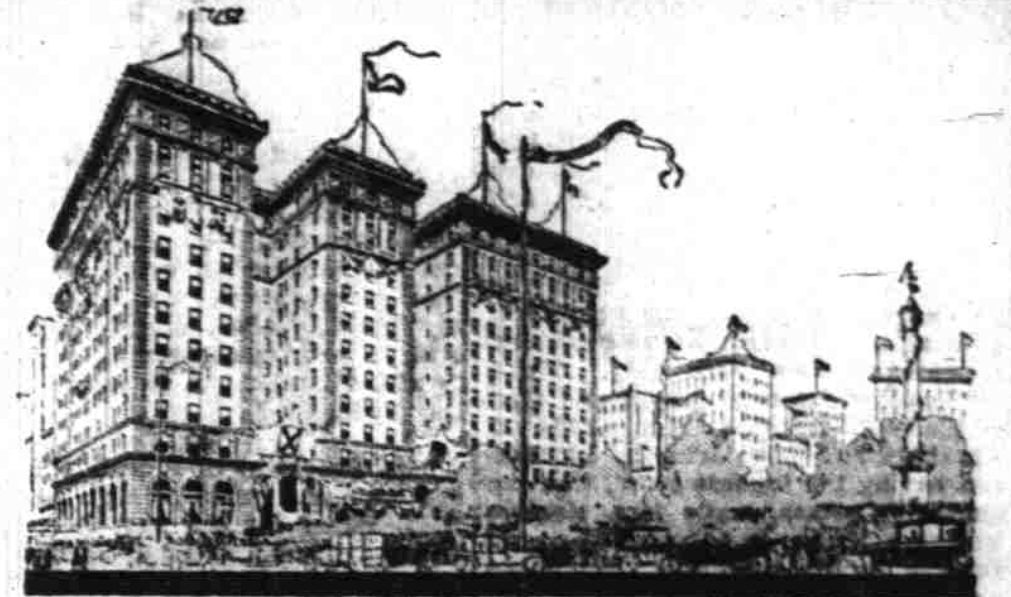

Fort McDowell won the first game hands down by a score of 944 to 823. The soldiers slumped badly in the next two while the Honolulu "Y" rolled close to 900 in both. This gave the Islanders the last two games and they passed their opponents in total pinfall which resulted 2613 to 2543.

The fine work of J. C. Chamberlin and Carl Wikander was mainly responsible for the local victory. Wikander had high average 192, and Chamberlin high score 235. All of the first team men except Mosley held their places for next week's match with Sacramento. Clark replaces Mosley as the result of his work on the second team last night. Reed took Benson's place last evening and made good.

One person was killed and four others injured when a brewery auto and a limousine owned by Edward F. O'Brien of White Plains, N. J., collided near there.
